

Viper™

Upgrade to High Performance!

Now available
in a wide
variety of
colors!

- Powerful, vigorous flush
- Twice the average industry performance
- Available in round front, elongated and ErgoHeight™ models
- All models come in 10", 12" and 14" rough-in
- High Performance platform
- HP2 flushing technology
- Fluidmaster® fill valve
- Dual-fed siphon jet
- 2" fully glazed trapway
- Front rim jets and streamlined exit path

The Gerber Viper™ sets new performance standards. You won't pay much more for a Viper than for an "industry average" toilet, but we've more than doubled the flushing capacity. Viper is a great step-up, adding value by jump-starting performance!
